OSL is an international, inter-denominational, Christian healing organization. OSL is made up of healing communities dedicated to offering healing prayer in Jesus' name to all who are in need. OSL is a Christian community of faith, prayer, and service; and a network of individual believers who come together to learn more about God's healing love and the power of the Holy Spirit to transform lives and bring wholeness. Once trained, members offer healing prayer in our communities.

Ditsie Scobie has been called to full time prayer ministry and teaches the basics of healing prayer. Her mission is to set people free from the chains of their past, bring them to healing from their brokenness, and help them move forward in a deeper walk with Jesus. She has been a member of OSL for 25 years and presently serves as the OSL Region 3 Director and Convener of the Prince of Peace OSL Healing Community.
